All:

This seems like a very doable proposal and consistent with what we talked about earlier today. Mark or Craig one of you is probably best for the conference call with Harry. Please advise on the proposed plan below.

Warren

Subject: TAGA Deployment Transition Plan

Gentlemen,

Please take a look at the proposed plan for the long haul regarding the TAGA(s) deployment for the current oil spill. Please peruse and comment.

I would like to have a conference call tomorrow (short!) to discuss to sure both Regions are comfortable with the proposed plan.

Shane, i know your busy with the oil spill and the floods, is there's someone that could speak on your behalf, please let me know.

Proposed Conference Call Times:

May 11th 2010 Eastern Time

8:30 AM

10:30 AM

3:00 PM
